Find Your Shoe Size

1. Measure your foot while standing on the floor. *It is important to draw your foot on a piece of paper and measure with a ruler to account for your arch.
2. Look at the U.S./International Conversion Table to find your shoe size. Ellie Shoes are sized in U.S. Women's Sizes.
3. This is a way to find out your approximate shoe size, however, it does not guarantee perfect fit.
